

THE DOVER FOUNDATION SCHOLARSHIP APPLICATION

The Dover Foundation is an independent, non-profit, 501-C3, all volunteer organization that has served the Dover Community since 1947.

The Foundation is mostly known for outstanding theatrical performances held in Dover, featuring Dover and surrounding community residents. We also join in other community activities such as the annual Town tree lighting and the Dover Music Festival. The proceeds from these performances, as well as an annual appeal, fund these scholarships.

Around June of each year, scholarship awards are granted to graduating Dover students. More than 500 Dover high school seniors have received over \$600,000 in scholarship grants.

Each applicant must be a Dover resident, and a graduating senior from any high school—private, public, technical, charter, magnet, boarding, religious, or parochial. In making scholarship decisions, The Foundation considers many factors including financial need, academic success, involvement in the arts, and community service. All applicants must complete an application and write an essay/letter stating why they feel they are qualified to receive an award. Parents are also required to complete a confidential statement.

We look forward to reviewing many applications from promising and interesting seniors. Applications for a scholarship award can be found on The Foundation's website. TheDoverFoundation.com

A congratulatory graphic for The Dover Foundation Scholarship Winners 2020!!!. The graphic features a tree icon with a musical note, a theater mask, a graduation cap, and a figure. Below the tree is the text "THE DOVER FOUNDATION". To the right of the tree is the text "Congratulations to The Dover Foundation Scholarship Winners 2020!!!". Below the text is a grid of eight photos of the winners, each with their name underneath: Frankie Kovrlija, Natalie Podsedly, Edie Rosbottom, Connor Ryan, Alex Thompson, Izzy Waite, Ethan Wood, and John Zavras.
